Better living through the law of attraction, spirituality, and self-improvement

## Law of attraction songs by Nikkos

by Greg Blencoe on March 4, 2010

On Monday, Michael Losier posted some information on his Facebook [page](#) about motivational artist Nikkos Zorbas that I wanted to pass along.

Nikkos has released a CD titled “The Law of Attraction” which contains music that will entertain, uplift, and inspire you. You can listen to the entire song “Law of Attraction” at [Nikkos.net](#).

Furthermore, you can listen to 1-2 minute samples of all 12 tracks on the CD at the following [link](#). <http://www.nikkos.net/downloads.html>

Some of the other song titles are “Be Happy Now”, “Always Do Your Best”, “Unstoppable”, and “Free Your Soul – Club Mix.” I really enjoyed listening to all of the samples, so I highly recommend checking them out.

Moreover, Nikkos Zorbas and Rudy Ruettiger (who was the inspiration behind the movie “[Rudy](#)”) teamed up to release “[The Reveal – Dream Big, Never Quit](#)” CD last year.

Many thanks to Nikkos for all of his uplifting work!
